

Hello Friends,

Thank you for attending our community forum, “Pasadena’s 2021 Housing Element: Planning Just and Fair Housing Solutions for our City.”

On behalf of Pasadenans Organizing for Progress, Making Housing and Community Happen, and Abundant Housing LA it was so encouraging to see over a hundred of you in attendance on Saturday! Excellent questions were posed and good ideas suggested in the Chat. We look forward to working with you all in coalition on Pasadena’s Housing Element Update over the coming months!

We appreciated the participation of the City’s Housing Director Bill Huang and look forward to collaborating to ensure the Housing Element both meets the needs of State approval, and more importantly, works for all of Pasadena’s diverse community.

Many of you asked for the PowerPoint and webinar recording from Saturday’s forum! The PowerPoint is attached to this email. Please check it out and reach out with any questions! The webinar recording is being prepared and will be available next week. We will send another email out when the recording is available!

What comes next you may be wondering? We are planning next steps at the moment and will be reaching out next week to invite folks, individuals and organizations alike, to get involved with our coalition! In the meantime, please browse the links below to check out our three organizations and the work we do around housing!
